To Whom It May Concern:

Funtastic Media has produced a wonderful product in the Growth Mat/Changing Pad. The mothers receive the mat when returning to our Birth and Beyond Center. They love the mat in that they can use the mat to monitor the growth of their baby during the first few months of the baby's life. The mothers can take the mat to the Pediatrician's visits and the physician can see the growth. The mothers love that the mat can be washed and reused. (We do instruct the mothers to use non-washable ink when writing on the mat.) Fantastic Media has produced a product that is both versatile and fun for the parents. I can see this as being a wonderful gift to an expectant mother.
