To Whom It May Concern:

Funtastic Media's Growth Baby Mat/Changing Pad has been the gift to baby and new parents in our Dr. Frederick S. Eadie Birthing Center for the past few months.

Our Nurse Manager of the Birthing Center initially brought the idea to me. When handing out the Baby Mat to new parents, she mentions the wide variety of uses for example; at home, the beach, in the car, etc.

Funtastic Media's Baby Mat product is a patient gift that is truly useful and an excellent quality item.

Sincerely,
