Dear Mr. Ruiz:

The nurses are very excited about giving the mothers and their new born babies the Growth Mat/Changing Pad in the Nursery Unit of Rehoboth McKinley Christian Hospital.

Thanks to Funtastic Media, the mothers take home a comfortable changing pad for their newborn and a keep sake memento as a reference of their child's birth. It also serves the purpose of tracking their child's growth, over several months, which the mothers love.

Thank you, Funtastic Media for a wonderful, useful, versatile product for both mother and child.

Sincerely,

A handwritten signature in black ink, appearing to read "Monica M. Greene", is written over the typed name.
