Dear Moses,

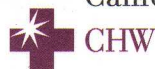

On behalf of the Babies First program at California Hospital Medical Center, I'd like to thank you for your wonderfully creative product. The Growth Mat/Changing Pad has been ideal for parents' daily use; washable and versatile, the mat allows them to create a comfortable and clean area for their baby while on the go. Parents are very pleased with your product and many have expressed how fun it is to use the mat as a reference of their baby's growth.

Thank you for your professionalism in handling our business. We look forward to continually working with you.

Sincerely yours,

Mildred DeJesus
